

Important Reminders

1.) Camp Policy is that campers are not allowed to receive food packages (candy, soda, etc.). If you wish to send your camper(s) a package, please cooperate by not sending food. Instead we suggest sending small games or toys, magazines, etc. NO FOOD PACKAGES WILL BE DELIVERED TO YOUR CAMPER(S) OR HIS/HER COUNSELOR!

2.) Your camper(s) will NOT be allowed to use the telephone unless given permission by the director. If you wish to speak with your camper(s), please call (863) 676-4113 at meal times (8:10 am, 12:25 pm, or 5:45 pm) since that is the only time you can be assured that campers will be near the phone. CALLS WILL BE LIMITED TO A MAXIMUM OF THREE MINUTES! If you feel it is necessary to call, please limit calls to once per week. When you call at meal times, please be patient. The phone is busy much of the time. **NOTE: So that campers may properly adjust to the camping experience, meal time phone calls will not begin until the first Wednesday of each session.** Parents or guardians are always welcome to call or email the office to see how your camper is doing.

If you like, you may fax your camper(s) at (863) 676-5263 and we will deliver your message at mail call. **In addition, campers are not able to receive emails or bring cellular phones to camp. Please leave cellular phones at home.**

3.) Campers love to receive mail! You can send mail to your camper at:

Your Camper's Name (and cabin name)

Your Camper's Name (and cabin name)

We encourage campers to write home at least once a week. Please provide your camper with self-addressed, stamped envelopes.

4.) If your camper(s) brings a camera or device that requires batteries, it can be expensive getting the film developed or replacing the batteries at camp. Please arrange to mail the film home or send a supply of batteries with your camper.

Thank you for your cooperation!
